ORDER:

Government have introduced a scheme of compassionate appointment to the dependent family member of the civilians who are killed in extremist violence. In the G.O. first read above, orders were issued authorizing the District Collectors to issue orders in respect of any department where there is a vacancy for appointment of a person upto the level of Junior Assistant / Typist depending upon the qualifications of the applicant. The District Collectors were also authorized to grant relaxation of age on a case to case basis. To enable these appointments a provision has also been incorporated in section 4 of A.P. (Regulation of Appointments to Public Services and Rationalisation of staff pattern and Pay Structure) Act, 1994 (Act 2 of 1994). The said orders were given effect from 26.2.1996. In the G.O. second read above, orders were issued allowing minimum period to acquire requisite educational qualifications, reasonable time in which the minor can seek relief and relaxation of upper age / educational qualifications when the dependent family is seeking employment in the category of Class.IV. The orders issued were implemented w.e.f. 26.02.1996.

2. And whereas, in the G.O. third read above, Government further ordered that the orders issued in the G.O. first read above are applicable to the cases of killings of civilians occurred prior to 26.2.1996 also, provided that the age and educational qualifications of dependent family member seeking employment shall be satisfied as on the date of death of the respective civilian. Further, the concessions allowed in the G.O. second read above are also applicable to the applicants.

3. And whereas, it is observed that in many cases where Civilians are killed in extremist / terrorist violence, there are no eligible family members to take up employment. Since the date to be reckoned with, is the date of death of Civilian and there are cases where the family member is a minor or crossed the employable age or does not possess the required educational qualification. Further the families of the civilians killed in extremist/ terrorist violence are approaching the Government subsequently when the kin of the deceased attains employable age and after acquiring requisite qualification. The policy envisages providing employment within a year if there is a suitable and eligible family member of the civilian killed in extremist / terrorist violence. However considering the

fact that family is put to disadvantage as assistance is not provided vis-avis with the other victims where employment is provided, the issue has been considered and proposed to compensate them with additional financial assistance if no employment is given i.e., in cases where there is no eligible family member at the time of death of civilian in extremist violence. The issue has been referred to the High Powered Cabinet Sub-Committee constituted by the State Government under the Chairmanship of Minister for Finance, to take up top-level decisions on the issues connected with Naxalite problems in the State.

4. And whereas, the High Powered Cabinet Sub-Committee, in its meeting held on 23-10-2013, have examined such cases and recommended to provide a financial assistance of Rs.5.00 lakhs to the families of civilians who are killed in extremist violence, if there is no eligible family member in the family to provide compassionate appointment.

5. The Government after careful examination of the recommendation of the Committee, agreed to provide a financial assistance of Rs.5.00 lakhs to the families of civilians who are killed in extremist violence, if there is no eligible family member in the family to provide compassionate appointment. This assistance will be extended to all previous cases where no employment was provided to the families of civilians killed, after due verification by respective District Collector and Superintendent of Police. This assistance will be in addition to the exgratia already paid.
